# A LETTER FROM YOUR PRINCIPAL

Dear Class of 2013,

The Class of 2013 will always hold a special place in the history of Silver Lake Regional High School. Your class's school spirit and school pride translates into high achievement in the classroom. We had a record breaking spirit week, a great homecoming dance, highly successful food drives, and of course an amazing Teacher Karaoke!

The Class of 2013 has fashioned championship athletic teams, award winning art, drama and music students, Advanced Placement Scholars, and National Merit Commended Scholars. Under your watch, our school was named to the College Board Advanced Placement Honor Roll, and award given to less than one percent of high schools in all of North America! You have donated countless hours of service to those in need. You have met high expectations throughout the curriculum.

Through your four years here you stayed the course with your commitment to excellence in education and a strong commitment to our school community. The class of 2013 serves as a connection to all generations of Silver Lake Regional High School graduates. Continue to be kind to each other, be healthy, happy and safe.

Sincerely,
Mr. Kelley

# A LETTER FROM YOUR

## ASSISTANT PRINCIPAL AND HOUSEMASTER

Dear Class of 2013,

Congratulations are in order for the class of 2013. The path you have traveled over the last four years in reaching graduation is one that is marked with much success. You have shown excellence in the classroom evidenced through SAT and AP scores.

Additionally, you have succeeded athletically with numerous state tournament births and setting of school records and have wowed us with numerous dramatic talents through instruments, voices and on the stage.

Above all, the generosity, dedication and selflessness that you have displayed toward each other and the Silver Lake community go unmatched. Your legacy is firmly entrenched within the halls of our school. Your hard work has prepared you for the next part of your journey. Enjoy it, take care of each other, and be well.

Sincerely,
Mr. Mulcahy

Dear Class of 2013,

Your hard work, perseverance, and determination have paid off and it is now time to take all that you have learned from your experiences here at Silver Lake as you embark on yet another adventure.

Some of you plan on continuing your education, others will be entering the work force right away, some of you have decided to join the armed services and others might simply still be figuring out what it is you want to do. Regardless of where you go and what you do with your lives, know that I believe in each and every one of you. I believe that you can make a difference. I believe that you can accomplish anything you set your mind to. And, I know you will make all of us here at Silver Lake proud. Congratulations!

Sincerely,
Mrs. Gill

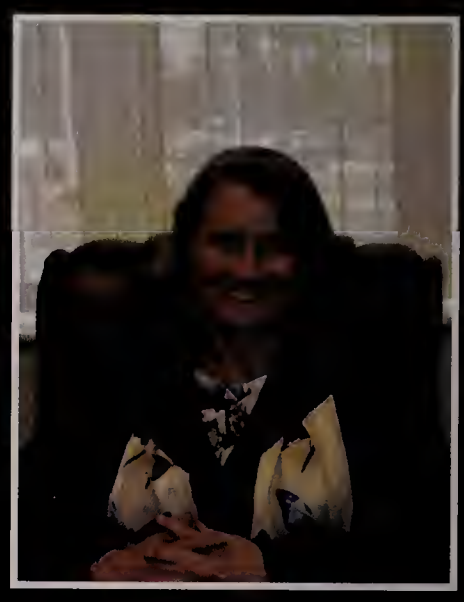
# A LETTER FROM YOUR SUPERINTENDANTS

Dear Class of 2013,

Congratulations on your graduation from Silver Lake Regional High School, your moment has arrived! In your time here you have worked hard, had triumphs and overcome challenges. You should be proud of all that you have accomplished.

As you move on you carry with you not only my best wishes but the best wishes of the teachers and staff. We are confident that each and every one of you will make us proud. You are ready for the next step!

Sincerely,
John Tuffy



Dear Class of 2013,

Some of you may remember a children's story called Frederick by Leo Lionni that has an important message to remember. It is the story of some mice preparing for the long winter days. All the mice work diligently to prepare and store food to survive the long cold winter days. Frederick however sits and seems to just be soaking in the sun. The other mice become frustrated and feel Frederick isn't doing his share of the work. The mice soon discover that the food is running out and they become cold and miserable.

Frederick then tells stories that bring forth the colors of the flowers and the warmth of the sun. These images help everyone to survive and show the importance of what each of us brings to our community.

I hope as you go forth into the world you remember to appreciate the diversity and skill each person contributes. We have appreciated the enthusiasm, colors, and skills each of you bring forth and hope that you will continue to shine.

Sincerely,
Joy Blackwood

# CLASS PRESIDENT

# A LETTER FROM YOUR

Dear Class of 2013,

Here we are. Graduation is days away, and now we spend our final hours together. Cherish this book: look carefully at the pages, the faces, the memories, and the incredible amount of work a few dedicated girls spent perfecting it. Indulge in final conversations with teachers and friends, maybe with someone you've never talked to before. Take a few extra seconds to memorize the hallways and paths we walked through to class hundreds of times. After we have said our goodbyes and emptied our lockers, our time will truly be finished at Silver Lake Regional High School.

Class of 2013, we did it. After studying and practicing, amidst facing personal struggle, we are done with high school. From adorable first graders to awkward middle schoolers, we now transform into educated (and much better looking) young adults. Most importantly, we can all take away something positive that we have learned at Silver Lake, whether it's the value of friendship, self-confidence, or the quadratic formula. We have consistently demonstrated success throughout our four years as "the biggest class" by winning, scoring, acing, singing, drawing, performing, and always succeeding. Our motivation and spirit will set us apart from our peers in the future, but keep us together as a class.

At the end of the day, we are not that different. Though each of our experiences was unique, we still share common goals and aspirations, and a sense of pride for our school. We can respect one another and have supported each other for years, bringing positivity and hope at times when most needed. You are all kind-hearted, intelligent, funny, gorgeous, and completely flawless overall. It has been a privilege to serve as your class president and thank you for an unforgettable four years. I wish you all the best wherever your futures may take you; I would say good luck, but none of you need it. Be confident, never give up, and go change the world! Congratulations!

Your Class President,
Adrian Petrou

# A LETTER FROM YOUR YEARBOOK EDITORS

Dear Class of 2013,

When the six of began this yearbook journey, we all had different views and our own ideas. Although, it was a lot harder than expected, we realized we had to come together for one common goal, to create a yearbook which represents the entire class of 2013.

None of us knew how difficult it would be to create a book that in 5, 10, 20 years people can look back at and reminisce on all our high school memories.

"Silhouettes of the past outline our future", is the theme we chose to represent this book because it shows our transformation from little timid kindergarteners, to high school seniors, moving on with the next chapter of our lives.

As you are flipping through these pages, we want you to understand the underlying meaning, to bring you back to the hallways of Silver Lake.

Even though most of us have been counting down the days until graduation, looking back you will realize this was one of the best times of your life.

We hope you cherish this book, and appreciate all the hard work we put into it. This year, the senior class has certainly made '13 lucky. So let the luck of '13 follow you where ever you go. Congratulations class of 2013! #WeDidIt!

Love,

Jenna Burke, Hannah Davis, Makayla Dillingham,

# You know you go to Silver Lake when . . .

You think Lady Gaga is making an appearance at school, but it is really just Mr. Kelley and a faculty flash mob dancing to Party Rock Anthem.

The soccer streaker never gets caught.

Underclassmen decide it is a good idea to park sideways in order to "save" spots.

The bomb squad, Kingston Police, Fire station, and the FBI are called for a bomb threat at the school...when it's really play-doh.

You can be banned from a sporting event for "excessive cheering."

You wait three years for the "privilege" of eating your lunch in the courtyard.

You are the luckiest senior class and get 6 snow days which you don't have to make up.

You ask what is for lunch and you are guaranteed to get the reply "CHICKEN PATTY!"

Mr. Lyman and Ms. Ferrara know more gossip than you...

You know Matt Jackson. .

You try to switch out of Mr. Pina's history class after hearing all the rumors and then you find out...it's not bad at all and HE LOVES PENGUINS!!!

You are dripping sweat in the hot months because it was decided that air conditioning wasn't that important.

You're a part of the most supporting and generous community in times of crisis.

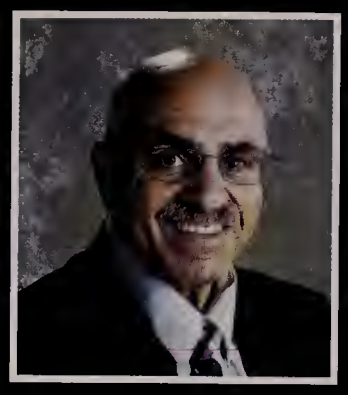
A THANK YOU TO

# Mr. Richard Kelley

## Retiring after 30 years



Throughout the past thirty years at Silver Lake many things have changed, from the towns which comprise the district to the school we attended,however, there has been one constant, Mr Kelley.

Mr. Kelley has been the glue holding Silver Lake together since he started in 1983. As he worked his way up from the science classroom, through the guidance department to assistant principal, and finally principal, he has always been the ever present guiding light for many students here at Silver Lake. He has made the past four years for the class of 2013 an enjoyable experience to say the least. To our class, he has not only been our principal but has also been our friend. That is what will be most remembered and truly missed about Mr. Kelley.

On behalf of all the students, past and present, the class of 2013 would like to thank Mr. Kelley for his service to the Silver Lake Regional School District.

## We Love Our Parents

I can remember when you fit in the palm of my hand.

You felt so good in it; no bigger than a minute.

How it amazes me you're changin' with every blink.

Faster than a flower blooms, they grow up all too soon.

- Billy Dean

You have been nothing but a source of pride for us your entire life. Named after your grandfathers, you have carried their names with pride and dignity; they would be proud of the young man you have become. You have navigated your life with elegance, courage, acceptance, and humor. You have a natural tenacity and ability to accept life as it unfolds, This is a skill that you serve you well in the years to come. Your character and integrity are so important to you. You are finding your voice and moving forward in positions of leadership. People will look up to you during your lifetime; the important thing is to make them want to.
